

“From tree climbing to sandcastles, all activities are thoughtfully tailored to each age group.”

ST. JOHN'S SUMMER CAMP offers two age-appropriate summer programs packed with adventure, exciting and safe aquatic activities, zip slides, rope courses for children and horse riding. Every day is designed for fun, learning, and unforgettable outdoor experiences!

Tree Climbing & Slide

With this program the children are shown how to ascend a tree safely, using simple climbing methods as they are securely fitted into a harness and shown the ropes. All activities are supervised by instructors so with the ropes set, you can climb as high as you dare! This is a fun-filled, exhilarating journey where children can experience great views and an even better sense of achievement!

Horseback Riding

An exceptionally rewarding activity that can equip children with positive skills and a life-long love of horses. Aside from the obvious benefits of good physical exercise, children will enjoy the great land and surroundings of Quinta da Marinha. Horseback Riding installs many other intrinsic qualities in children, including good co-ordination and balance skills as well as confidence.

Beach Day

It is designed to meet the unique needs of younger children, many of whom are experiencing the beach and ocean environment for the first time, helping them feel safe and comfortable in the ocean. Group sand games and many more aquatic activities are also part of the program.

SUMMER CAMP PROGRAM 2026 From 9:00 AM to 5:00 PM

Toddlers and Nursery
